

NICOLAS PROTHERO

11TH GRADE HIGH SCHOOL STUDENT

OBJECTIVE

High school student looking for internship to get the feel of a work environment. Looking for somewhere to apply my learned experience in multiple coding languages and Microsoft programs. I possess a strong work ethic that will complete any task given to me.

EXPERIENCE

INTERNSHIP SHADOWING DATA OPERATIONS TEAM

IDC (INTERNATIONAL DATA CORPORATION) • FEB 2019 – APR 2019

Worked for data operations team based in Prague and provided programming updates to manager once a week. Worked in Python using libraries such as NumPy and Pandas on two projects. Projects included finding outliers in data sets and modeling missing data. Learned the ins and outs of working in the computer field.

EDUCATION
